For Fundraising Teams

Track and analyse your donations,
manage Gift Aid and send 'Thankyous'

Database of Donors, Supporters, Friends and Volunteers

Key features

Link a database of your donors, supporters, volunteers and friends to their activities and donations, send 'thankyou' messages, calculate Gift Aid and analyse your donation income:

- PROFILES: Link each person in your database to their contact details, preferences and interests
- DONATIONS: Record their donations and analyse your income by fundraiser, event and payment method
- THANKYOU: Use **TPTracker**® to automatically send thankyou messages using each donor's preferred method of communication.
- GIFT AID: Let **TPTracker**® calculate and record Gift Aid for you on every donation made

Web-based, so no installation needed

TPTracker is a web-based service which means you do not have to install anything on your hardware, just use any browser to access it securely. You can use any device: PC, laptop, tablet or smartphone, anywhere you have internet access.

Licence fees

You pay an annual or monthly licence fee which covers your whole organisation, with no limit to the number of users (you control who has access to **TPTracker**® and what they can see or do). Your licence fee will be based on (a) the database storage capacity you will need and (b) the package you choose.

Getting you started

Firstly, we will spend time listening to what you want and sharing ideas with you. This will mean we can set your **TPTracker**[®] solution up for you in the best possible way, load your initial database for you and then offer the best possible advice about using it all.

You could then start to use **TPTracker**[®], learning as you go from the in-built 'how to' guides; it is really easy to find your way around. The Support Team is always there to support you when you need it.

Continuing to support you

Your licence fee gives you access to the **TPTracker**[®] Support Team by phone and email during normal office hours: that's 9 to 5 on Mondays to Thursdays and 9 to 4 on Fridays, excluding Bank Holidays.

Arranging a demo

So if you think **TPTracker**[®] may be able to help you and your teams, give us a call and we will arrange a visit to listen to what you need, suggest the best options for you and give your team a demonstration.

To discover more, call us now for a chat on **08456 432 872**
